The Backus family have farmed at Grange-le-Ings Farm, Faldingworth since 1948 and this is the first farm sale on the Holding in over 70 years. Many farmers within the local community will already know that the need for this farm machinery dispersal auction arises following the sad passing of Edward Backus, who lived and worked on the family farm at Faldingworth for many years. This Machinery sale was originally scheduled for June 2020 but with the Covid pandemic outbreak it was delayed until such time when we felt its safe and right to invite the buyers to come to the farm to bid at the farm sale.

Most of the items of machinery have been owned from new and have been mainly owner driven, this is a genuine dispersal sale and you can bid on this equipment with confidence.
